Re: Richards v. Mass. Dept. of Corrections et; al,
Civil Docket No. 04-cv-10291-RWZ.

Dear Clerk,

Would you please send me an updated copy of the Docket entry sheet for the above referenced matter. I would like to know what if anything is happening in this matter and I would also like to know if in fact the court has received all of the Pleadings I have sent to it regarding this matter.

Also I am still having problems with the Defendants and their staff here at MCI-Shirley (Medium), my health concerns are getting worse by the day and are still not being addressed by the Defendants and their staff who just continue to play games with me instead of providing me with the care that they assured the court they would.

I should not have to fall out and this should not have to become a life saving issue before I am offered somekind of temporary relief from my present situation.

Thank you for all of your time and attention in this matter.

Respectfully Submitted,

John F. Richards pro-se,
C-49993/C-1 #58B.
